Report on activities of the SS&PWG in since September 2002

September 2002

The SS&PWG held a committee meeting during the 9th ICUD in Portland, USA, 8-13 September 2002. New chairman (Jean-Luc Bertrand-Krajewski, INSA de Lyon, France) and vice-chairman (Jose Manuel de Saldanha Matos, Technical University of Lisbon, Portugal) have been elected for a 3 years period.

Between September 2002 and July 2003, 3 new Committee members have joined the group : Neil Armitage (South Africa), Ana Deletic (Australia), Suhaimi Abdul-Talib (Malaysia). The total number of Committee Members is now 28 (with a maximum of 2 members per country). See <http://www.sspwg.civil.auc.dk/> for details.

November 2002

The working group sponsored the Sewer Operation & Maintenance (SOM 2002) international conference organised by the Joint Centre for Water and Wastewater Management of Universities Sheffield and Bradford (UK), in Bradford, UK, November 26-28, 2002. Proceedings are available on CD-rom. Contact : John Blanksby at j.r.blanksby@bradford.ac.uk.

March 2003

22 selected and revised papers from the 3rd International Conference on "Sewer Processes & Networks" (3rd SPN), organised by the SS&PWG in Paris, France on 15-17 April 2002, have been published in Water Science and Technology, issue 47(4), 194 p.

April 2003

The call for papers of the 18th EJSW (European Junior Scientists Workshop) on "Sewer Processes and Networks" has been published. The 18th EJSW is organised by the SS&PWG in Almogrove, Portugal, on 8-11 November 2003. Contact : Maria do Ceu Almeida at mcalmeida@lnec.pt

May 2003

The decision has been made to organise the 1st AJSW (Asian Junior Scientists Worskshop) on "Sewer Processes and Urban Drainage" in Malacca, Malaysia, on 7-10 February 2004. Call for papers will be published soon. Contact : Suhaimi Abdul-Talib at esuhaimi@hotmail.com

The idea is to create links and synergies between the 18th EJSW and the 1st AJSW.

July 2003

Final draft (including photos and copyrights) of the IWA Scientific and Technical Report on "Solids in Sewers" is being prepared. Publication by IWA Publishing is planned for

the second half of 2003. For further information, please contact Richard Ashley at r.ashley@bradford.ac.uk.

SS&PWG members have revised abstracts concerning their topics for Novatech 2004.

The call for papers for the 4th “Sewer Processes and Networks” International Conference to be held in Funchal, Madeira, Portugal, on 22-24 November 2004 is under preparation.
