

SS&PWG meeting at 14th ICUD, Prague, 12-09-2017

Present: Jeroen Langeweld, Johan van Assel, Roni Penn, Simon Tait, Alma Schellart, Kapil Gupta, Peter van Rollegem, Jes Vollertsen, Asbjørn H Nielsen, Francois Clemens, Jean-Luc Bertrand-Krajewski...

1. Welcome

Jeroen gave an introduction to the meeting.

2. Approval of the Agenda (Jeroen)

The agenda was approved with no modifications.

3. Minutes of last Committee Meeting (Asbjorn)

The minutes were distributed. No comments.

4. Group website (Asbjorn)

- The SSPWG website was updated after Manfred Schuetze corrected some information on the page. It was not clear from the text whether the group was working group or an IWA specialist group.
- Information that IWA members can join a maximum of 5 specialist groups was outdated.
- Simon suggested that information on junior scientist workshops was included on the website.
- Peter suggested that a link to the old sewer solids book was included.

5. Solids in Sewers Book (Simon)

There have been three meetings in the group. Status is the book is roughly 80% finished. The group hope to finish the draft before Christmas and to be able to publish by summer 2018.

6. Junior Scientist Workshops (Francois/Jean-Luc, Dirk)

- Jeroen informed about the workshop "Monitoring urban drainage systems", which was held in May 2017. The workshop had been very successful and the group expects to organize a new workshop on the topic in 2019.
- For 2018, there are plans about a JSW on integrated modelling and RTC (Dirk).

7. Update on next SPN Conference (Jes)

- Planning is on track. The conference venue is booked and the gala dinner has also been confirmed.

- AAU need to contact IWA in Denmark. To be included on the IWA conference list.
- Price level of the previous conference will be maintained.
- IWA wants 1% of the budget.
- Simon encouraged that the conference is advertised well in countries that are not typically strongly represented. Peter will go to WEF collection systems in the US and can bring flyers. Kapil will distribute flyers.

8. Closure (Jeroen)

- Kapil gave an update on the sewerage situation in India.
- Next SS&PWG meeting will be at UDM in Sicily
- Roni Penn from EAWAG was added to the WG member list.
